► EXHIBITIONS

Using a wide range of high quality stand systems and the capacity to print on-site, means we can guarantee quality, price and deadlines.

► Exhibition Modular Systems

Using modular display systems, we are experts at creating individual, striking exhibition stands that have the quality look and feel of bespoke designs, but are crucially re-usable.

Modular systems allow us to build displays that can be re-imagined and re-configured for use at several events, making our exhibition displays some of the most cost effective on the market.

We use our extensive experience in producing graphics to print and finish all panels on-site, giving us full control over quality, materials, timings and cost. All the things that our clients care about.

► Graphics for Shell Scheme

We can design, print and install either rigid or rollable graphic panels to fit a shell scheme and provide Shell Clad to create a seamless effect for your exhibition stand space.

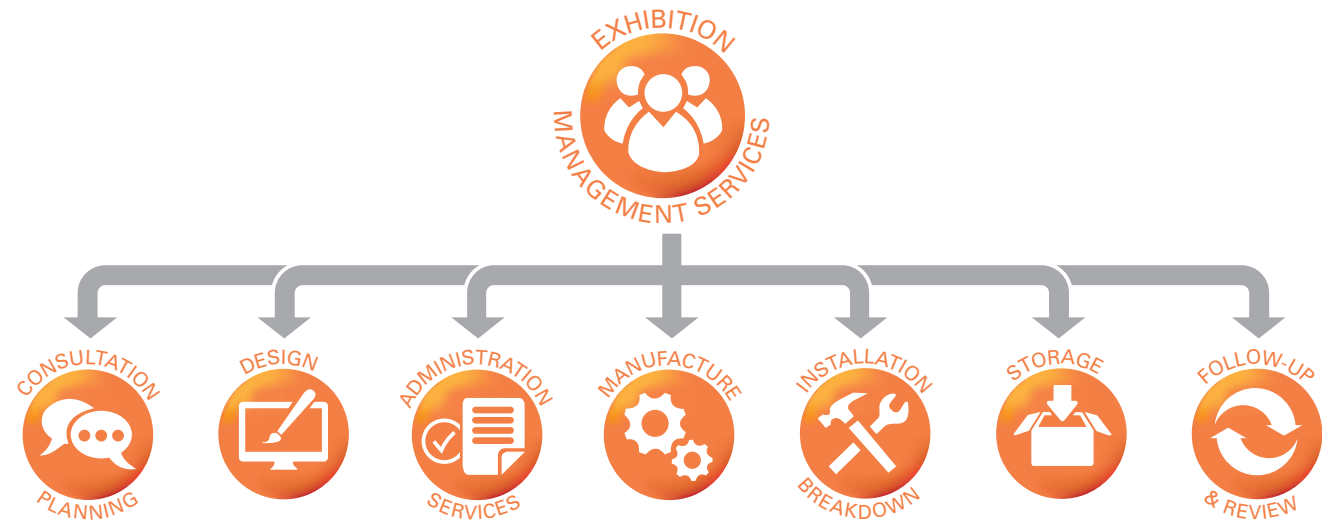

“Having worked with ADG at a couple of exhibitions recently, I'd have no hesitation in recommending their services. They take a pride in getting everything just right and really attempt to 'delight' their customer. Doing exhibitions can be challenging enough but you can rely on ADG to have everything completely prepared for you and cleared away afterwards, all we have to do is turn up and sparkle!”

► EXHIBITION MANAGEMENT SERVICES

We're taking the stress out of exhibiting!

► Our Exhibition Management Service is offered to all clients who are planning their next event.

We use our 19 years of exhibition experience to manage the pre-event, event day and post-event activities that will enable your event to run smoothly.

We help with:

- Invitations
- Emailers and website banners
- Stand design & construction
- Promotional items
- Literature

- Uniform
- Stand installation, dress and breakdown
- Data capture strategy
- Paperwork – all of it!
- Storage
- PLUS a post event review, to help you understand the success of your event.

We do all this and lots of other event planning work in between, so you just have to turn up on the day.

“Advance Digital Graphics are specialists in the field of designing and creating exhibition stands. They understand the business of running exhibitions and have a focus that means they can provide excellent exhibition stands with a first class level of customer service. They are responsive, creative, proactive and easy to work with. The real value is the flexibility Advance Digital Graphics can offer along with excellent service.”

TEXO DRONE SURVEY & INSPECTION LTD**

► DISPLAYS

Our massive selection of display stands include Pop Up Stands, Roller Banners, Modular Stands, Counters, Light Boxes, iPad Stands, Outdoor Displays and Accessories.

“I cannot recommend Advance Digital Graphics enough in terms of their customer service, loyalty, costing and attention to detail in every project they undertake for the agency. The cow was a challenging project and frustrating at stages for all involved, but the professionalism and can do attitude from Dan, Emma and Dale in particular made it all worthwhile.”

► ABOUT US

Using a wide range of high quality stand systems and the capacity to print on-site, means we can guarantee quality, price and deadlines.

At Advance Digital Graphics, we know that visual displays can be an incredibly effective marketing tool for any business and our passion is helping our clients communicate in this creative and exciting way.

Established in 1997, we are experienced large format digital printers who have been producing high quality graphics for exhibition stands, signage and displays systems for UK clients.

► Everything Display

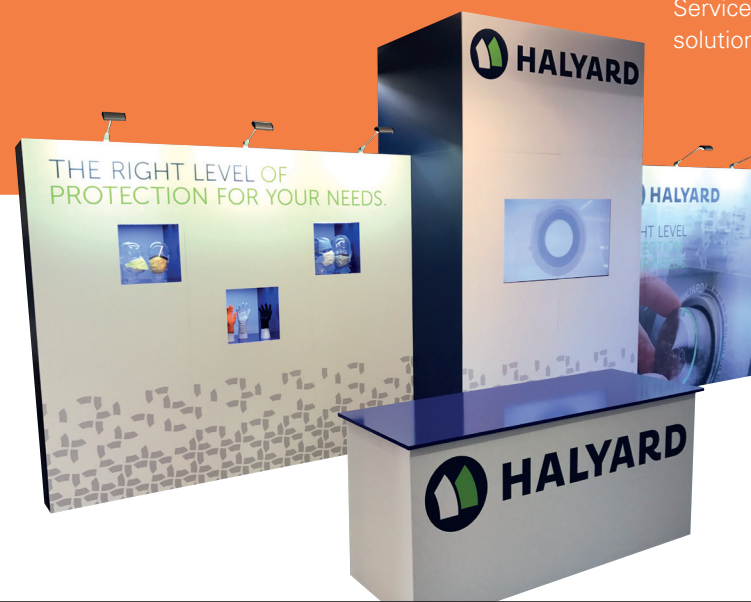

We print in-house, to any length and on a variety of different media. This enables us to produce a broad spectrum of graphics for signage, exhibitions, displays and vehicle graphics.

► Everything Exhibition

We offer our Exhibition Management Services to all clients. A complete turn-key solution that gets you ready to exhibit.

“For over 19 years we’ve delighted our clients with quality products, a fast turnaround service and continuing value for money.”
